[Lime: A middleware for physical and logical mobility-](#) [► psu.edu](#) [\[PDF\]](#)

A Murphy, G Picco, GC Roman - International Conference on Distributed Computing ..., 2001 - [doi.ieeecomputersociety.org](#)

... on different ITS s, or to register the same ... functionality is supported by two objects
that belong ... terms of expres- siveness, performance, and often semantics. ...

Cited by 349 - Related articles - BL Direct - All 18 versions

[Exploiting space and location as a design framework for interactive mobile systems-](#)[► gyte.edu.tr](#) [\[PDF\]](#)

A Dix, T Rodden, N Davies, J Trevor, A Friday ... - ACM Transactions on Computer-Human Interaction (... , 2000
- [portal.acm.org](#)

... mobile applications need to consider the semantics of the ... but in relation to other
objects or sensors. ... topological space and consider location in these terms. ...

Cited by 192 - Related articles - BL Direct - All 19 versions

[Unboxed objects and polymorphic typing-](#) [► inria.fr](#) [\[PDF\]](#)

X Leroy - Proceedings of the 19th ACM SIGPLAN-SIGACT ..., 1992 - [portal.acm.org](#)
... also space coupling (since an invoking object holds a ... of interaction—where sub- scribes
for objects of type ... word floating-point number in a floating- point register. ...
